

Corrugated sheet  
**SINUS**

THE POWER OF ROOFS

# SINUS

## NEW PRODUCT IN THE OFFER CORRUGATED STEEL SHEET SINUS

Corrugated steel sheets which have been used in large format facilities also prove to be effective as a roofing or facade material in smaller buildings, such as garages or umbrella roofs. Also, these products are more often employed in modern urban residential development.

The corrugated profile **SINUS** is a successful combination of a traditional shape and latest protective coatings. Drawing on the aesthetics of classic forms, it offers a wide range of finishing options giving the roof an interesting visual effect.
